

**REQUEST FOR STATEMENT OF QUALIFICATIONS
CITY OF QUINCY
2017 PROFESSIONAL ARCHITECTURAL AND ENGINEERING SERVICES**

City of Quincy is requesting statements of qualifications and performance information from qualified firms interested in providing professional engineering services for the design of city's various Public Works project.

One or more firms may be selected to provide a proposal or to be interviewed based on the qualification statement submitted. Interested firms shall note that the City will base their selection on firms that specialize in providing municipal engineering services on the following elements:

- A. Road Projects (10 pts.).
- B. Stormwater Projects (10 pts.).
- C. Water & Domestic Sewer Projects (10 pts.).
- D. Reclaimed Water and Industrial Reuse Water Projects (10 pts.).
- E. Capital Improvements Project (10 pts.).

Questions and or inquiries regarding this request should be directed in writing, five (5) days prior to submission of proposal to;

Mr. Ariel Belino, City Engineer
P.O. Box 338
Quincy, WA 98848

Interested firms should submit four (4) original copies of their qualifications in a sealed envelope on February 16, 2017 5 until 3:30 p.m. local time and addressed to:

Mr. Tim Snead, City Administrator
P.O. Box 338
115 1st avenue SW
Quincy, WA 98848-0338

Submittals should include letter of interest, firm information, resumes of key team members, composition of the team, current workload of firm and personnel to be assigned to this project, list of similar project experience, project approach, period of availability, references and fee schedule for employees. Proposal shall not exceed 10 double-sided pages.

MBE/WBE/DBE firms are encouraged to submit qualifications. The City of Quincy is an Equal Opportunity and Affirmative Action Employer.

The City of Quincy reserves the right to reject any or all submitted proposals.

Publish on the Quincy Valley Post Register on January 19 and 26, 2017.
